

eProtocol Proof of Approval

- 1) Log into eProtocol at <https://eprotocol.berkeley.edu>.
- 2) Click on the IACUC tab.
- 3) If you are listed on an approved eProtocol, you can view the protocol when you log into eProtocol. (This is your proof that you are listed on an approved protocol, and you will use this to request supplemental care key access).
- 4) Print out copy and make sure the identification areas are visible.

Last name-identification → Doe (UC Berkeley) - Investigator

eProtocol » Investigator » Home
Welcome to UC Berkeley's eProtocol for IACUC Submissions

Important tips for success in eProtocol:

- Use Mozilla Firefox (for PC) or Safari (for Mac) as your web browser
- Make sure your browser's pop-up blocker is turned off
- Do not use your browser's back and forward arrows
- Only one person can edit a protocol at one time
- Sign out when finished and close browser

Note: eProtocol provides a common user interface for management of Committee for Protection of Human Subjects (CPHS) and Animal Care and Use Committee (ACUC) protocols. To submit an application to CPHS, click on the "IRB" tab below.

click on IACUC ↓

Protocol Number →

Protocol ID	Principal Investigator	Title	Protocol Event	Panel	Meeting Date
AUP-2014-08-6582	Jane Doe	Type Study Title Here...	Go to Submit to IACUC
