

Husbandry

- 1) In this section of the protocol, you will describe proposed housing locations, any animal transportation, any non-standard housing requirements, and any experimental exceptions.
- 2) All questions must be either be answered or, if they do not apply, check **None**.

The description text boxes are common for all the species.

Proposed Housing Location

OLAC Vivarium

- OLAC Care Building Name
- PI Care Building/Room

Other Location

- OLAC Care Building Name
- PI Care Building/Room

Check all boxes that will apply to your research. *Please note the ACUC is required to approve all housing locations outside of the OLAC Vivarium prior to use.

Animal Transportation

None

Save

Please check how animals will be transported between facilities, laboratories or institutions (e.g., hand carried, vehicular, etc.), describe the methods and containment measures to be utilized. Transportation of animals must conform to the ACUC [Animal Transportation Guidelines](#).

If animals will be transported please select the appropriate boxes and describe in the free text box.

- Between rooms within the same building on the UC Berkeley campus

- Between buildings on the UC Berkeley campus

- Between institutions (i.e. do not include original order delivery to UCB)

FIELD STUDIES: If animals (live or dead) will be transported to or from the field, describe how they will be transported and measures to be taken to avoid potential disease transmission to researchers and other animals. Transportation of animals must conform to the ACUC [Animal Transportation Guidelines](#).

Any transportation of animals in field research protocols should be described here.

Non-Standard Housing Requirements None Save

Please check and describe all non-standard housing requirements that apply. Provide justification for each. For guidance, please refer to ACUC's [Guidance on Exceptions Regarding Housing or Husbandry of Laboratory Animals](#), [Aquatic Frog Housing Density](#), [Guidelines for Investigators Who Manage Mouse Breeding Programs](#), and [Rat Housing Guidelines](#).

Non-Standard Housing Requirements Add | Delete
Please click on Add to add Non-Standard Housing Requirements

Exceptions/Exemptions None Save

Please check and describe any non-standard environmental requirements, diets, husbandry equipment or animal care. Include which species are affected. For guidance, please refer to ACUC's [Guidance on Exceptions Regarding Housing or Husbandry of Laboratory Animals](#) and [Fasting Animals, Special/Regulated Diets/Water/Housing Policy, Physical Restraint of Unanesthetized Animals](#).

Non-Standard Lighting Cycles Add | Delete
Please click on Add to add Non-Standard Lighting Cycles

Non-Standard Housing Temperature Ranges Add | Delete
Please click on Add to add Non-Standard Housing Temperature Ranges

Telemetry or Tether Devices Add | Delete
Please click on Add to add Telemetry or Tether Devices

Individually Housed Add | Delete
Please click on Add to add Individually Housed

Exemption from Standard Enrichment Add | Delete
Please click on Add to add Exemption from Standard Enrichment

Other Add | Delete
Please click on Add to add Other

Food Restriction Add | Delete
Please click on Add to add Food Restriction

Fluid Restriction Add | Delete
Please click on Add to add Fluid Restriction

Prolonged Restraint (>15 min) Add | Delete

Select 'Add' for each exception that applies, or check **None**.

- 3) Complete all sections that apply and provide a description and justification *for each species* affected.
- 4) Several ACUC Policies and Guidelines provide further guidance for this section, and are imbedded into the eProtocol application. Also check the [ACUC Policies and Guidelines](http://acuc.berkeley.edu/guidelines.html) web site, <http://acuc.berkeley.edu/guidelines.html>.
- 5) Once you complete the questions, click on **Next** to go to the next Procedure Details Tab.
